

Scout Elf Wrapping Paper Drive!

The Scout Elves are collecting wrapping paper scraps for Santa!

Send your small scraps of wrapping paper to Santa!

It's very important to make sure we aren't wasteful this time of the year (and all year long), so Santa is asking for all your small wrapping paper scraps.

As you wrap your presents, collect the paper scraps leftover – no matter how small – and leave them in a place where your Scout Elf can find them.

The elves will bring the wrapping paper scraps back to the North Pole to be used for the smallest presents. You might even see them used for your own gifts!!

Thank you for your help!

Merry Christmas!

Santa
