

Spring is here, it's time for fun,
Let's share this feeling with everyone!

Here are some goodies to help you play,
Get outside and enjoy the day!

After you have had your fun,
Spread the good cheer and '*Spring*' someone.

Give them this note with a special surprise,
Encourage them to play under the sunny skies.

Leave this note where it can be hung,
So everyone can see you've already been

Sprung!

We've Been Sprung!
